How to Install Cowboy Guardian on Android Devices

1. On your Android device open the Play Store
2. Search for Rave Guardian
3. Select Rave Guardian from the search results
4. Tap INSTALL
5. Tap ACCEPT
6. Rave Guardian will now install on your device

How to setup your Cowboy Guardian Account

1. Once Cowboy Guardian is installed tap OPEN
2. Select I am with a school
3. Enter your First Name, Last Name, your OKEY email address, and password.
4. Tap Next
5. Create a Secret Question and Answer (if you forget your password you will be prompted to answer this question in order to reset the password)
6. Enter the Mobile Phone # of the device you have installed Cowboy Guardian on
7. Enter a 4 digit PIN
8. Check the box to agree to the Terms of Use
9. Tap Submit
10. You will now need to confirm your mobile phone number. Cowboy Guardian will automatically send you a text message with a 4 digit code in it.

   Enter the code and tap Confirm Phone.

   If you did not get the automated text message you can click Resend Code and it will send you another.

11. Tap OK once the Success! message displays
12. You will be presented with 4 “About Guardian” pages. This is a brief introduction to the app. Use the right and left arrows at the top of the screen to navigate through them. On last page there will be a home icon. Tap the home icon to finish the introduction and access Cowboy Guardian.

You are now ready to use Cowboy Guardian from your mobile device. You can also visit www.smart911.com to continue setting up your profile. Here you can enter more detailed information about yourself to assist University Police in helping you during an emergency.
